

# OTIS for educators is now available for Delaware families!

Because the Delaware DOE has purchased the **OTIS for Educators Parent Portal**, you now have access to **hybrid/remote learning** training content.

Head over to [OTIS.teq.com](https://otis.teq.com) to set up an account. Make sure to use the group code **cae119**.

[Explore OTIS training content for families](#)

**Sessions** range from 4 to 45 minutes and cover topics from “how to answer a question in Google Classroom” to “how to use Schoology for remote learning.”

## Here’s a sample of what’s included:

- How to use Schoology.
- Overview and support topics for Google Classroom, Meet, & Drive.
- Video conferencing training for systems like Zoom and Microsoft Teams.
- ...and more
